Polar Bear Plunge
ALPHARETTA ROTARY FOUNDATION

The Alpharetta Rotary Polar Bear Plunge is full of exciting opportunities. Splash wants to make sure that you have all of the answers leading up to the Plunge. If there is something that you have a question about that is not listed below, shoot us a message at AlpharettaPBP@gmail.com

How do I register and create a fundraising page?
Our online platform is new this year, so go to Polar Bear Plunge - The Alpharetta Polar Bear Plunge.

Click JOIN THE CHALLENGE, and you will have two options: Make a donation or Become a Fundraiser. Select Become a Fundraiser. Fill out that form, and once you submit, it will ask you if you want to “Personalize my Page” or “Join or Create a Team”. Click “Personalize my Page”,and on the right hand side of your screen, you will be able to add a small paragraph about what you are raising money for and why. You can also upload your own pictures. Just follow the directions on the right hand side of your screen. Then go back to “Join or create a Team”, and select the team you want to join or start your own.

IMPORTANT: Keep the email you get when you sign up, as that will give you the link to edit your page, share with your friends, etc.

How do I edit my personal fundraising page?
When you start your page, you will get an email. SAVE IT. It has a link to use to edit your page!

I misplaced/forgot my sign in information for my fundraising page. How can I retrieve that?
On this website, click on “Join the Challenge”, and find your personal page under fundraisers or your team page under teams. When you get there, select edit your page on the bottom right, and you don’t even need your password.

What fundraising goal would be typical for a first time team?
There really isn’t a set level for teams, as we have some teams of two that raise $20,000 and some teams of 50 that only raise $5,000. We ask that everyone raise at least $100 per person (our fundraising minimum), but the more you raise the more you support the cause you have selected!

What is the minimum amount that my team needs to raise?
Teams are not required to raise any specific amount. However, every team member must raise a minimum of $100 to Plunge.

How do I donate to a Plunger?
Go to fundraise.givesmart.com, and click on “Make a Donation”. Select your amount, and click on the box below “Attribute your support to”. Then search for a name. Complete the rest of the online form and click submit.

Is there a minimum age to jump?
There is no minimum age. Plunging is fun for all ages and remember you can always just put your toes in the water! If a plunger is under 18, a parent will need to sign a waiver.

Can I bring my dog to the event?

We love dogs, but the pool deck is very crowded, so unfortunately, dogs are not allowed.

Will there be a costume contest at the Plunge?

Yes! More details to come!

Will I have a scheduled time to plunge?

Yes, and the schedule will be posted the week before the event.
